A star-gate is, practically speaking, a doorway granting easy access to multi-dimensional realities and frequencies. The star-gate is based on sacred geometry. How it works and the various features will be dealt with in these 2 days.

Due to the huge changes that have, and are, occurring on planet Earth with the energies available, the star-gate now grants access to galactic/intergalactic/universal/inter-universal realities.

The meditations and activations in this workshop will be focused on integrating the awareness of expanded love consciousness using the star-gate as a tool in conjunction with Crystal Skull teams and the 13 ancient skulls.

The cost of the two day workshop is \$555.00. Please send a \$99.00 deposit now to reserve your place. Make checks payable to and mail to:
